

But wind up best season in school's history

Raiders lose regional playoff to Mustangs, 93-85

A BATTLE ROYAL took place Tuesday night in the Glades Central gym, and this was only one of the skirmishes as Jessie Haynes jumped toe-to-toe with two North Shore players in an effort to retrieve a rebound and make points. The Raiders were edged 93-85 in a heartbreaker to the Mustangs in the Region 7AAA playoff.

Apache strikes again...in absentia

BELLE GLADE—Apache scored again Monday morning, nabbing into two boys who had broken into a closed-down pool room and bar at 265 Canal St. in Raderville, without even putting in an appearance.

It was the sole犯人 member of the Palm Beach County Sheriff's Office in the Glades and just the threat of using him was enough to persuade the two 11 year olds to come out of the building.

Deputy Ted Keys responded to the call, made by Eli Lang of Raderville, that a breaking and entering was in progress and when he heard movements inside the abandoned, poolroom, called out he was going to call in the dog in five seconds if whoever was inside didn't come out.

He said he heard some movements behind the closed doors and then the youngsters came out and gave themselves up.

Both the juveniles were remanded to the juvenile authorities, who released them.

The boys reportedly broke several cue sticks and threw some balls around but apparently didn't touch a supply of bottles of wine still on hand.

SOUTH BAY City Commissioners met Tuesday night for the first time in their new quarters in the newly constructed city hall. On hand on the dais (from left) were City Attorney James Gann, Mayor Billie Wells,

Commissioners Ray Sullivan and Donald Tanner and City Clerk Virginia Walker. Commissioner Woodrow "Woody" O'Neal came in later.

No more projects for South Bay?

SOUTH BAY—The City Commission meeting for the first time in the new city hall, delayed for at least the last five years, announced its commitment to supply water and sewer service to the Palm Beach County Housing Authority.

PBCHA Executive Director Harry Seaman told the commissioners the Housing Authority and Farmington Home Administration want to build another housing project in the Glades, "and particularly in the South Bay area."

On the advice of Public Utilities Director Lomax Harrelle that neither the water nor sewer

systems could stand the strain of another 100 units as proposed by Seaman, the commissioners said they won't make a decision for the next five years.

Harrelle said improvements would have to be made to both systems and that could take two to three years. He also pointed out that "the city receives no tax revenue from the existing PBCHA project and that that project is costing the city money."

Harrelle said he would be against adding the new connections unless individual water meters were applied to each unit but,

Seaman said that wasn't the original agreement.

Seaman also said the city will shortly receive a check from the housing authority in the amount of \$8,000. He said the check, according to the agreement between the authority and the city, is in lieu of city taxes.

Commissioner Woodrow "Woody" O'Neal asked Seaman if the federal government would help pay for improvements to the water and sewer plants if they agree to provide the services. Seaman said

Glades Day loses to Kings, 64-55

BELLE GLADE—It could have been called poetic justice, but none of the Glades Day Gators were laughing Tuesday night when King Academy destroyed their bid for a berth in the state tournament.

Twice during the regular season, the Gators lost to Moore Haven. Then Saturday night, a one-point victory over the Terriers gave the Gators the district championship.

Twice during the regular season, the Gators beat Kings Academy. Then Tuesday night, a nine-point victory for the Lions gave them the regional championship.

Even so, it was the Gator's best game ever, finishing up 17-8.

Coach Dick Schmidt was unhappy with the Gator effort. "We've had balanced scoring all year long," he said. "But in

this game, we just couldn't get together."

Quique Echave was the scoring leading with 28 points, but top scorers like Don Henderson, Jon Scruggs, and Tommy Duda were held to single digit figures. The only other scorer with "over nine" was Winston Byrd, who had 11.

At the end of the first quarter, the two teams were tied 12-12 and at the half, Kings had pulled ahead by one. By the end of the third period, they were ahead two points and the fourth quarter was the telling point. In a burst, Kings racked up eight points to pull ahead permanently and although twice the Gators came to within four of catching them, the hot Lions wound up the game in the lead, by nine point.

Instead of being in the sectional playoffs Friday night at the Gator gym, the team will be looking on as Kings plays in its own gym.

based in Broward County, that either the Mustangs or the Raiders could have beaten any AAA team in their area, including Piper, number one in the state in AAAA play. They said this was the best high school game they've seen this year.

"We had a heck of a crowd," Seider said, noting one member of that crowd was a scout from Notre Dame. "It looks as though basketball is really coming along

in this area. Of course (All-American North Shore guard) Darryl Mitchell was the big drawing card but that helps the other players on the court too, like Jessie Haynes.

Three years in the past, Seider said the support given the Raiders throughout the season has meant the school's basketball program has paid for itself and made

FmHA refuses to finance Glades solid waste plan

BELLE GLADE—Plans to build a solid waste disposal facility to handle all the garbage and trash in western Palm Beach County received a blow last week when the U.S. Farmers Home Administration (FmHA) refused to finance the project.

Palm Beach County Solid Waste Authority Director Tim Hunt and engineers with Barker, Osha and Anderson, the firm doing most of the study on which plans were based, had assured local officials consistently FmHA was interested in funding the project because emphasis at the federal level has

turned to regional concepts in waste disposal.

The application for a \$1,645,185 loan was turned down in Washington D.C. last week however, on grounds the administration's regulations require "additional security other than facility revenues."

"Loans may be secured by bonds pledging solid waste disposal revenue," the regulation cited states, "only when the revenue pledged includes that from the solid waste project plus revenue from other facilities of the applicant with tie-in enforcement rights, or by the taxing power of participating local governments."

Hunt pointed out Tuesday the Authority has no other facilities on which enforcement rights can be tied in and the only way ad-valorem taxes could be raised would be to set up a special taxing district.

Hunt said the county couldn't pledge ad valorem taxes because they would have to be raised county-wide and the contracts signed by Belle Glade and South Bay, which agreed to the contract only Tuesday evening, specifically ban the use of city taxes as a means of guaranteeing income for the facility.

The Authority has no taxing power of its own and a referendum would be required to set up a taxing district.

Hunt said there is still a possibility of getting the loan, "but the outlook right now is bleak. I'm going to see how much fire and brimstone we can get out of the Budget and Policy Advisory Committee when we meet Monday night, and the

Nobody likes parking meters. And even fewer like parking tickets. Some don't like them enough to try to do something about them. And Bernie Lee is the ringleader.

Bernie is owner-manager of Dave's Palm Beach Shop on Avenue A and last week, he took a day off from work and went around collecting signatures of business men against parking meters.

Didn't have any trouble getting signatures, he said. His main problem was trying to get around to everybody, but the ones he saw wanted him to stay and gripe to him about parking meters.

Parking meters were originally installed to keep business employees from taking up spaces that should be reserved for customers. It's worked to a degree. Now all the employees in the downtown area park in the lots of a few businesses that have space reserved for their customers.

Few, if any, of the businessmen on Avenue A, B and Main Street are happy with the situation, but to no avail, Bernie is the only one who is trying to work a solution.

I told him I would help all I could and in keeping with that promise, here's a Lampton Better Idea. It won't cost you anything to keep on reading, except maybe eyestrain.

My idea is to create an all-new kind of parking meter. It would be a combination parking meter and slot machine, or one-armed bandit to those of you who have been to Las Vegas or the Islands.

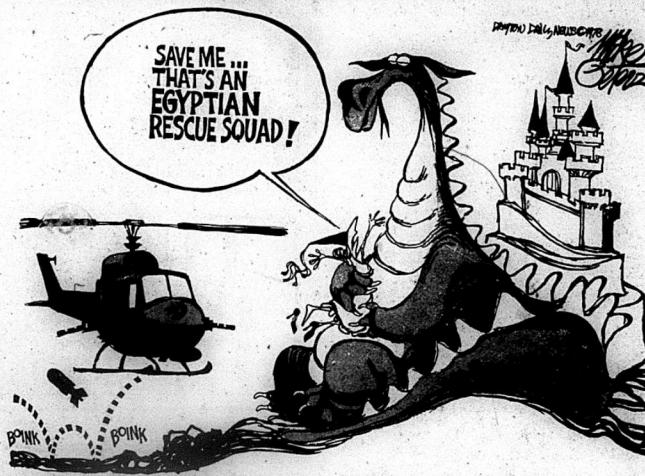

You'd put your nickel, dime, or quarter in, watch the little apples, cherries, or grapefruits spin around, and... boom! You hit the jackpot. Even if you didn't hit the jackpot, you'd still receive time on your meter. Say 15 minutes for a nickel, 30 for a dime, and a whole hour for a quarter.

If you did hit the jackpot, you would receive a substantial return on your investment.

I can see it now. People from all over would come to Belle Glade or Palm Beach County to agree on handling the problem; what kind of agreement should be signed; getting the land for the facility and a number of different possible stumbling blocks. (Pahokee still hasn't decided whether they want in or out.)

But the constant refrain throughout the whole campaign has been that the federal government is promoting this type

Opinion

Impossible policy needs revision

It's the ones you don't see that get you every time.

A classic example was the way the bottom dropped out on the proposed solid waste disposal project local people have been working on for something like two years now.

There were problems getting the three cities in western Palm Beach County to agree on handling the problem; what kind of agreement should be signed; getting the land for the facility and a number of different possible stumbling blocks. (Pahokee still hasn't decided whether they want in or out.)

But the constant refrain throughout the whole campaign has been that the federal government is promoting this type

of regional concept for disposing of solid waste and sewage, that the Farmers Home Administration was definitely interested and there would be little trouble getting a combination loan and grant to build the incinerator, the landfill and the mulching operation funded through F.H.A.

That's what was so disturbing about the bombshell last week when Washington decided that, no, they couldn't finance the project. Even more disturbing was the reasons they gave. Without the use of ad valorem taxes or tie-in enforcement rights, there seems no way they're willing to take on the project.

Which is something like being told by the bank they're perfectly willing to loan you money to build your new home but only if you don't need it.

Since the only legal way we can see for ad valorem taxes to be raised would be a special taxing district, something pretty hard to accomplish in the 60 days before the application expires, and considering the fact the Authority has no existing facility to mortgage for tie-in enforcement rights, the picture appears, as Authority Executive Director Tim Hunt put it, bleak.

There's little question the project can still be funded. The financial study has been made based on no loan or grant and it can still presumably be carried out that way, but it will be considerably more expensive.

And there's still the nagging question of FmHA's announced policy of supporting regional disposal projects while handicapping any real attempt to provide financing to such projects.

Not to mention the question of why the requirement for more collateral than tipping fees was never mentioned, as far as we know, in any of the public meetings and why the financial picture has so consistently been painted so rosy a color.

The planned three phase disposal plant is a good one but there are apparently some questions which need to be answered. Some of those questions can only be answered in Washington but that doesn't appear likely unless there is some Congressional intervention.

Good seasons

If basketball gets any more popular in the Glades, some people just might think it's time to start thinking about finding more space to seat the spectators.

Football has been the traditional sport in Belle Glade but winning seasons by both Glades Central and Glades Day, with each team advancing to the regional playoffs before being eliminated, helped mighty to narrow the popularity gap.

The Raiders played to at least their third standing room only crowd Tuesday night when they bowed to the Mustangs and Coach Jay Seider said he hasn't seen this kind of support for basketball since he's been here.

The Broward County-based officials said the Region 7AAA game was the best they'd seen all year and went on to comment that either of the two teams on the court could have probably beaten any AAAA team in their area, including Number One ranked Piper.

Seider has consistently said during the season this is the best basketball team Glades Central has fielded and their 18-8 season is the best in the school's history.

True, they lost out to regular season nemesis North Shore, which was a truly awesome team this year, but any other year, the Raiders could have been good enough to go all the way to the state championship.

This is one team that has no reason to hang its collective head.

Neither do the Gators. It was the best-ever season for them, percentage-wise, but to lose to a team they had beaten twice during the regular season must have been disheartening.

Coch Dick Schmidt said it was the worst team effort of the year. Maybe so, but the season effort this year more than made up for the loss Tuesday night.

BY DEAN JONES

Once more with feeling but not, I hope, with crunching.

Hear'd the word a couple weeks ago from Frank Mayfield he was beginning work on Belle Glade's second navigational road rallye (love that English, even British, spelling) and it's gonna be held Sunday.

But when Frank said the course was going to be longer and more devious than this time around than it was the first time, I made a quick move to break up the team of Junior Jones and Fireball Bickel.

With the help of the fiddlers, if the Crumb's got a chance of getting lost in one of the cane fields in the area, I'll make it worth while and go for looks instead of efficiency. Enter Catherine the Terrible aka Classis Chassis.

Heeding no protests that she doesn't like to drive and her navigational skills compare poorly to Jacksonville, which is where she wound up the first time she pointed her hood ornament toward Miami, I managed to lay it on thick enough...I think.

At any rate, equipped as I am with a complete SOP (seat of the pants) to the unknown, Ralley Kit consisting of one borrowed stopwatch, a large scale city map (even if it is of the Moscow Metro system), one pint gas can and a cooler of beer to fuel us on our way and three day's iron rations, I think Way Butter's record, set during the Winter Rallye.

Now just don't nobody come looking when we get lost.

And speaking of the March of Dimes Walkathon...notice that smooth transition. I'm gonna make a writer yet one of these days! I never knew there were so many cruel people in this part of the world.

Like, for instance, the friend?? who said she hadn't any intention of walking this year, having done it once and considering that enough, until she heard I was joining the Blister Brigade.

Now, figures she'll be worth the pain to her just to see me suffer, I say you. Matter of fact, I seem to be picking up quite a little enthusiasm group and I'm glad to them. And that isn't even considering the wide number of colleagues (I refuse to call them friends) in the profession who say they'll be glad to come along with cameras to record the moment for posterity. One guy even said he'll bring a fisheye lens so he could catch the whole fall.

About now, I'm wondering what profession they belong to. It could be the oldest for all I know.

Through it all shines the inspiration left by one little old lady who said she represented the American Heart Association. Said she'd pay me a dime a mile for every mile I don't walk. Now that's the kind of pledge I'm looking for.

Another train of thought is picking up steam too. What with all the campaigning he's doing to get other people to walk for birth defects, has anyone else thought of challenging one Gentleman Jim Huggins to hoof it 20 miles through a cutout of the Sahara, right along with the rest of us blisters?

I didn't think so.

Well, fellow suckers (or are we in this case the suckees?), I propose this gen'man is the man who got us into this thing and I think it would be a good idea if he keeps us company while we walk our way out.

If the blister fits, Sorefoot, maybe it's time you wore it too. That's one sight we might get more people to pay to see than a Cracker crumblin'.

Parking meters

Merchants in the downtown area of Belle Glade have signed a petition carried around by Bernie Lee of Dave's Palm Beach Shop asking for the removal of parking meters.

The businessmen are claiming the parking meters are not a full solution to the parking problem in the downtown area and are also driving customers away from the downtown areas for other areas where the parking is free.

No solution to the problem is likely anytime in the near future. The basic problem is simply the lack of space for parking.

Lee said instead of meters, he and other businessmen would like to see parking limited to two hours and enforced. Like parking meters, this can be only a partial solution.

The parking meters were installed by the city primarily to prevent employees from taking the spaces needed by downtown shoppers. The businessmen are now saying this was a mistake and should be changed.

We are sure the city commission will hear the desires of the downtown merchants and do anything in their power to help the downtown area continue to be a vital shopping area in Belle Glade.

They would become parking lots as well. So would homes throughout the city. In time to come, Belle Glade would become nothing but a huge parking lot.

And come to think of it, that wouldn't be good for the city. I guess we'll just have to rely on fellas like Bernie coming up with solid, acceptable ideas we can use. At it, Bernie.

Raft applications sought

BELLE GLADE-The City Recreation Department is now accepting applications for a raft race being scheduled for March 8 in conjunction with the celebration of the

city's Golden Anniversary Celebration.

The race, according to Recreation Coordinator Frank Mayfield, will be held in the Rim Canal at the

Aubrey Farmer Pavilion at the Municipal Marina at 2 p.m. on April 8. The deadline for entries is March 31.

The races will be relatively short and no engines or motors of any type will be allowed. There will be three different divisions, with the first and second place teams of each division receiving trophies. The three divisions are the Men's, the Women's and the Mixed Company divisions.

Mayfield said everyone in the area is being encouraged to enter the race, which will take place just before the fish fry dinner put on by the Belle Glade Chamber of Commerce. He said he has participated in similar races in other areas but one difference is that while those relied on the current of a river to get the raft from the start to the finish lines, the sluggish current in the Rim

POSING WITH MEL TILLIS at the Swamp Cabbage Festival in LaBelle Friday, where he played before a record number of festival-goers, is Herald-Observer ad manager Cathy Conery and Observer editor Jackie Bridges. The two staff members were interviewing Pahokee's Favorite Son during a press meeting before the show.

Speaker tells Rotarians to wake up before it's too late

Belle Glade-His speech was entitled "Let Freedom Ring" but it could just have well been "Wake Up, America" and the message Vern Burkhardt delivered to the Belle Glade Rotary Club Tuesday at their luncheon meeting was clear.

"We've got a sickness in this country," said Burkhardt, "and it's worse than all our other problems. That sickness is the apathy of the great American middle class."

Burkhardt is an active member of the Lake Placid Rotary Club and has delivered his message of warning to various organizations from coast to coast in over 300 lectures.

He urged the local Rotarians to "wake up, stand up, and speak up", saying too many people today are asking only what their country can do for them.

Octogenarian this stride, he launched into an attack on government give-away welfare and foreign aide programs and it was clear he was reflecting the thoughts of the local members as they nodded in agreement as he made point after point.

"Millions depend on Washington to do for them what they should be doing for themselves," he said. "The U.S. Government is the biggest business in the world and it should be run on a business-like basis. Deficit financing is not financially morally right."

"The threat of Communism to this country is very real today."

"We can't cure poverty with money. It's only cure is through production."

"In spite of the billions we have given away in our own country to cure poverty, the welfare rolls continue to grow. Should we allow those who live off the government to be active in controlling it?"

"When a man receives something for nothing, it means a man somewhere who has worked hard for something doesn't receive it for nothing."

"Laws today make it harder for an individual who is a winner to become a winner. There is no such thing as equality and the people who came to America came here so they could excell, not be equal."

"We can't stop crime by coddling

criminals. Federal aid brings federal control...The Panama Canal treaties simply don't make sense."

His final point was also very well taken by the Rotarians. "If freedom is lost, I'd rather see it lost in the field of battle rather than the ballot box."

In closing, Burkhardt offered ten points individuals can do to make America strong and powerful. The points made were quite simply a statement of endorsement for constitutional government.

"Each great government has fallen and its failing symptoms are corruption in high places, high taxation, rampaging inflation, and the collapse of its moral fiber. How does that pertain to America?"

Burkhardt received a standing ovation from the local club members at the end of his speech.

Gong Show Application

Gong Show to be held in Belle Glade

BELLE GLADE-Applications for tryouts for the Gong Show being organized as part of the city's 50th anniversary celebration are now being accepted, according to subcommittee chairperson Bee Wood, and are available at the city hall as well as being published in local newspapers.

The show is patterned after the popular television show and is scheduled to take place in two shows at 7 and 9 p.m. April 7 at the Municipal Civic Center. The

first place prize for each performance will be \$50. Mrs. Wood said:

"Tryouts for the show will be held from 7 to 10 p.m. Friday, March 31 at the Civic Center and Mrs. Wood said a screening committee will decide which acts will be performing.

Mrs. Wood said the type of acts which can be put together is wide open, with limits being placed only on good taste and time (3½-4 minutes). She did say, however, children under the age of 14 who wish to audition for the show should be accompanied by an adult.

Any number of persons can participate in a given act and acts can consist of any type of talent.

Mrs. Wood said a point system will be used to evaluate the acts, both by the screening committee during auditions and during the show by the judges.

The show will be judged by Mrs. Jenette Cameron, Belle Glade Mayor; Tom Altman and Palm Beach County Commissioner Bill Bailey. Mrs. Wood said she is still looking for a gong to use in the show.

The show will be put on in conjunction with a skit depicting the original meeting which led to the incorporation of Belle Glade on March 9, 1928. That skit is supposed to last about 15 minutes and is being cast now.

Mrs. Wood said the deadline for receiving the applications is March 24. They should be addressed to: The Gong Show, Belle Glade Recreation Department; City Hall, Belle Glade Municipal Complex; Belle Glade, Fla. 33430. They can also be hand delivered to the city hall.

Canal requires some form of powering the raft.

"The field is wide open," he said. "A raft must have at least two crew members but there is no maximum number and they can use any form of powering the raft they want to except an engine or motor."

Rules for the race are:

1. Each contestant must wear a life preserver throughout the entire race.

2. Each raft must have a crew of at least two persons. (At least two crew members must finish the race.)

3. Rafts must be homemade. No pre-manufactured vessels of any type will be allowed although manufactured parts may be used in the construction of a raft.

4. No motors engines of any type will be allowed.

5. For rafts in the "Mixed Company" division, the crew must be composed of equal parts male and female.

6. All rafts must be at the pavilion by 1 p.m. April 8 so they may be inspected and assigned a number.

Entry blanks for the raft race will be published by local newspapers for at least the next two weeks and will also be available at

the city hall front desk.

For further information, call 996-0100 Ext. 243 or write Frank Mayfield, Recreation Coordinator; c/o Belle Glade Municipal Complex, Belle Glade, Fla. 33430.

Miss Lesley to wed Mr. O'Neal

BELLE GLADE-Miss Nancy A. Lesley, daughter of the late Mr. and Mrs. Lloyd B. Lesley, announced this week her engagement to Danny H. O'Neal, son of Mr. and Mrs. H.R. O'Neal, of Blakely, Ga.

Miss Lesley is a 1976 graduate of Glades Central High School and is presently employed by U-Save Supermarket.

The groom-elect is a 1973 graduate of Beaufort High School, in South Carolina and is presently employed by the State of Florida Department of Agriculture.

The couple's wedding will take place at 5 p.m., on April 8, at the First Baptist Church of Belle Glade.

Xi Iota Alpha holds Medieval Night Feb. 25

BELLE GLADE-The castle of Mr. and Mrs. Terry Miller was the place of entertainment, on Saturday, February 25, for the Xi Iota Alpha Chapter of the Beta Sigma Phi "Medieval Night".

After grog was served, guest had their soup from the cauldron, then on to the banquet hall for a meal prepared by the social committee.

East Lake Middle slates book fair

PAHOKEE - The East Lake Middle School Library Club is sponsoring a book fair, open 'o all interested persons, especially school-age children, which will last from March 1, yesterday, until March 8, next Wednesday.

The fair will be held in the school Media Center which is open each weekday, 8:15 a.m. until 3 p.m. Buyers can select from items on display and place their order.

Displays will include such items as Star Wars calendars, stamp collections, records, various types of paperback books such as the Hardy Boys-Nancy Drew mysteries and the Six Million Dollar Man. Also on hand will be puzzle books and game books.

The club invites everyone to "Book on down to the book fair and get your share!"

Xi Zeta Mu holds February meeting

BELLE GLADE - The February meeting of Xi Zeta Mu Chapter of Beta Sigma Phi Sorority, was held Feb. 27 at the home of Mrs. Wayne Bair.

Fashion show is scheduled

BELLE GLADE-The Lake Shore High School class of 68 is sponsoring a Fashion Show, Saturday, March 11 at the Women Civic Center at 8 p.m.

Refreshments will be served and tickets are adult \$1 and students 75 cents. A door prize will be given away.

Members voted by secret ballot for Girl of the Year, which will be revealed at their Girl of the Year Party Mar. 4. This event will be held at the Glades Restaurant in Clewiston.

Mrs. Carl Gilliam was co-hostess for the meeting and served homemade chocolate and coconut cream pies. Mrs. J.D. Lee, III was discussion leader and Mrs. Gilliam led the program on William James. Those attending the meeting were: Mrs. William Acree; Mrs. James Chamberle; Mrs. Gordon Corbin; Mrs. Gene Enfinger; Mrs. Kenneth Lutz; Mrs. Ray Stedham; Mrs. Tom Swager; Mrs. Bert Ward; Mrs. Bair; Mrs. Lee and Mrs. Gilliam.

Final plans announced for wedding

BELLE GLADE-Mr. and Mrs. J. H. Kelley, of Belle Glade, announce this week the final wedding plans of their daughter Nancy to Donald Johnson, son of Mr. and Mrs. James E. Johnson.

The wedding will take place at 7:30 p.m., on March 3, at the First Baptist Church, of Belle Glade.

4A-HERALD-OBSERVER, Thurs., March 2, 1978

St. Patricks dance scheduled

BELLE GLADE-A traditional St. Patrick's Day dinner and dance, complete with corned beef and cabbage, will be sponsored March 17 at Belle Glade Elks Lodge no. 1716 for Elks and their guests according to Lodge Manager Don Williams.

Williams said the dinner will be from 7 to 9 p.m. and the dance will begin at 9 p.m. and last until 1 a.m.

with music being supplied by the Jimmy Teresi Combo.

"They're going to play all the old music," Williams said, "and they're going to bring along songbooks so we can have an old-fashioned sing along."

Tickets, he said, would cost \$7.50 per person and would include dinner, dancing and party favors. Williams said he doesn't believe there has been a St. Paddy's Day dance in the area for the past 10 to 15 years.

Storage, preservation of food is clinic topic

BELLE GLADE - The Church of Jesus Christ of Latter Day Saints, Mormons, will conduct a seminar on the storage and preservation of foodstuffs the evening of March 7, from 7:30-9:00 p.m. The Mormons have been recognized as leaders in the area of home food production and storage.

and will be held at the LDS Chapel located at: 601 E. Ave. A Place.

\$7.50 per person and would include dinner, dancing and party favors. Williams said he doesn't believe there has been a St. Paddy's Day dance in the area for the past 10 to 15 years.

Wesleyan Guild will have rummage sale

BELLE GLADE - The Wesleyan Service Guild of the United Community Methodist Church of Belle Glade met at 8:00 Monday, Feb. 21 at the church parlor.

The meeting was called to order

by Mrs. Arvie Mathis, group president. Mrs. Mathis read a poem titled "A Prayer", then gave a prayer to open the meeting.

It was decided to hold a rummage sale in March to raise to contribute to the Vann project.

Mrs. Lorene Phillips gave the devotional program, taken from Psalms and Romans "God's Gifts

and our Giving". Hostesses Mrs. Arvie Mathis and Mrs. Mary Low Whately served refreshments to 12 members present.

CARD OF THANKS

The family of Paul C. Ramsey, would like to extend their deepest appreciation for the kindness and prayers of all the many friends that expressed concern and sympathy over the death of our beloved husband, father and grandfather.

Miss Parson weds Mr. Douglas

BELLE GLADE—Miss Linda Elizabeth Parson became the bride of Albert Douglas Grooms, in a double ring ceremony on February 10 at the First Baptist Church, Belle Glade, with the Rev. Robert Atkins officiating.

The bride is the daughter of Mr. and Mrs. Benny H. Parson, of Belle Glade.

The groom is the son of Mrs. Rex Parr, of Opp, Ala., and Edsel Grooms, of Sanford.

The church was decorated with two bouquets of white gladioli, pom poms and large mums. The altar was banked with arceas palms and an archway covered with teak leaf garland. Unity candle held bouquets of pink and white pom poms and miniature pink carnations.

The wedding music was provided by Annette Horne and Sherrill Mace, who sang "The Twelfth Never", and "Let It Be Me".

Given in marriage by her father, the bride wore a floor-length satin gown featuring candlelight imported lace on the bodice, shoulders, and high neckline. A matching train of imported lace accented the dress.

She wore a bridal hat made of silk organza and imported candlelight lace, and carried a white Bible adorned with white roses and gypsophila.

Miss Cindy Smith served as maid of honor. She wore a floor-length light rose qiana gown with a round neckline. She carried a rose with greenery and satin ribbon.

Mrs. Perla Tucker and Mrs. Mary Stephens, both of Winter Garden, and Miss Cindy Gummere, served as bridesmaids. Miss Brandi Miller, was the flower girl. Their dresses and flowers were identical to that of the maid of honor.

Kenny Martin served as best man. Benny Joe Parson brother of the bride, Mike Dobrow, and Ronnie Huff were ushers.

The bride's mother wore a floor-length apricot gown with a matching coat. She wore a corsage of white roses.

The groom's mother wore a floor-length blue cow-neck qiana gown. She also wore a corsage of white roses.

Following the ceremony, a reception was held at the church. The table was covered with white

MR. AND MRS.
ALBERT DOUGLAS GROOMS

banquet cloth overlayed with pink linens and pink and white bows with matching streamers. Centerpiece filled with pink mini-carnations, pom-poms, and baby's breath decorated the table. Each side of the table was flanked with

two stands of Boston ferns. Assisting in serving were Ms. Bobbie Grindstaff, Mrs. Maxine Parson, and Mrs. Paula Brady. Mrs. Lynn Parson, sister-in-law of the bride, was in charge of the bride's book.

The bride chose a tailor-made burgundy knit pant suit with a blazer and vest, as her traveling costume.

After a honeymoon in Disney World and Daytona Beach, the couple are now making their home in Belle Glade.

The bride is a 1976 graduate of Glades Day School and is currently employed by Wilkinson-Cooper Produce, Inc.

The groom is a 1972 graduate of Palmetto High School and is currently employed by Mace Soda Service.

Out of town guests were Mrs. Edna Tryon, grandmother of the bride, of Apopka; Mrs. Vesta Parson, grandmother of the bride, of Athens, Tenn.; Mrs. Mary Stephens and Matthew, of Winter Garden; Mrs. Carolyn Parr, mother of the groom, of Opp, Ala., and Mr. and Mrs. Wesley Woodward, and children, of Sanford.

Methodists rummage sale is Saturday

PAHOKEE — The Pahokee First United Methodist Church will have a rummage sale Saturday, March 4, at the church. Items such as clothes, dishes, tools, sporting equipment and much more will be on sale at the annual event.

The sale begins at 9 a.m. and will last until 3 p.m. Also on sale will be chili, hot dogs and cokes. Those wishing to donate items for the rummage sale are asked to bring them to the church Fellowship Hall.

Miss Bolton is awarded scholarship

BELLE GLADE—The Palm Beach Branch of the English-Speaking Union of the United States, an affiliate of the Institute of International Education, has awarded a summer study scholarship to Andrea F. Bolton.

Miss Bolton will study "Drama and Theatre in the Age of Shakespeare" at the University of Birmingham, Stratford-upon-Avon, England, for six weeks beginning in June.

Miss Bolton is the daughter of Mr. and Mrs. William E. Bolton of Clewiston, Florida. She attended Marymount College and received the Bachelor of Science degree in English and secondary education from Palm Beach Atlantic College. Miss Bolton is presently a member of the English Department of Glades Central High School.

She is an active member of the National Education Association, Florida Teachers Professional Association, Beach County Classroom Teachers Association, in addition to serving on several committees at Glades Central and as sponsor of the junior class.

Christian Comments

BELLE GLADE—In order to crucify Jesus, a definite choice had to be made. A special amnesty was granted by the Romans during the Feast of the Passover. The Roman's strict justice seemed to be tempered by mercy because at this time a life could be spared.

When Pilate became convinced that Jesus had been delivered for other reasons than the stated charge, he confronted the mob with a decision.

The Romans had in custody a man named Barabbas who was a murderer and insurrection had been placed in custody. We can hardly consider him a popular hero and yet he was. For he had committed, his crimes against the hated Romans.

So the choice facing the mob was not an easy one: Would they release the man who was innocent of the man who was guilty? Would they release the man who had done nothing worthy of death or the man who had violated the law? Would they release the popular or the unpopular?

In Cuba today a man reigns in the name of freedom and self-determination with a ruthlessness that rivals the dictatorship he overthrew. Castro attained part of his popularity because he spent much time in Batista's jail.

In the Congo, the former Premier Lumumba amazed us by the dexterity with which he contradicted himself. Part of his popularity stemmed from the time he spent in jail under the Belgian rule.

It seems that in many countries struggling for self-determination the best way to be popular is to get thrown in jail. Such was Barabbas. He became a popular hero because he sought to overthrow the Roman yoke.

Yet, such is the irony of fate. The man Barabbas, who seemed so strong was powerless against the Roman yoke, while the man Jesus who said, "They that take the sword shall perish by the sword," sowed the seeds that spelled the doom of Roman rule.

When the people had gathered around Pilate's Judgement Hall, he

asked them, "Whom will ye that I release unto you? Barabbas, or Jesus who is called Christ?" The Scripture tells us that Pilate knew Jesus had been delivered up for envy.

The religious leaders felt that Jesus was stealing their place. Pilate's wife had dreamed about Jesus. Her mind was tormented. She asked Pilate to have nothing to do with him.

When Pilate asked the people to make the choice, they asked for Barabbas. Then Pilate asked, "What then shall I do unto Jesus, who is called Christ?" They answered, "Let him be crucified."

Pilate tried to leave the choice up to Jesus, but the people, You make the decision, he said in effect, and I'll stick by it. This is like a Governor Faubus who would let a mob determine the fate of the public schools.

Whoever believes in democracy

Lake Area Obituaries

DELBERT GORDON OTTO

Delbert Gordon Otto, age 76 of 278 Banyan Ave., Pahokee died Friday, a native of McDonald, Michigan, he was a resident of Pahokee for 27 years and a retired employee of W.H. Vann, Inc.

Survivors include his wife, Vernon; two sons, Harold Otto and Norris Otto; both of Pahokee; one daughter, Mrs. Barbara Chesser of Jonesboro, Arkansas; one sister, Mrs. Eddie Greenacre of Ionia, Michigan; and a host of Grand and Great Grandchildren.

Services were held Monday, 10:00 a.m. at the Wetherington Funeral Home Chapel with Rev. Rubin Ballbear officiating.

Interment was at Port Mayaca Cemetery. Pallbearers were Earl Vann, Marvin Carter, Mike Mills, Ruben Clegg, Carlos Raineri and J.S. Barwick.

Wetherington Funeral Home, Pahokee was in charge of arrangements.

JOSEPH R. WARD

BELLE GLADE—Funeral services for Joseph R. Ward, 62, of 1700 N.E. Ave. K were held at the First Baptist Church in High Springs Tuesday, February 28 with the Rev. Morris Beck officiating.

Ward came to Belle Glade 15 years ago from High Springs and was formerly an agent for the Fruiter Growers Express before his retirement. During World War II, he served in the U.S. Army. He was a member of the First Baptist Church of High Springs.

Survivors include his widow, Beatrice Ward of Belle Glade and nephew, John S. Ward of Port Charlotte.

Services were held Friday, February 24, 2:00 p.m. at the Canal Point United Methodist Church with Rev. Dan Casselberry officiating. Interment was at Port Charlotte Cemetery.

Wetherington Funeral Home, Pahokee was in charge of arrangements.

Pallbearers were: A.R. Harrington, Bill Johnson, Earl Maxson, Floyd Erickson and Alvin Wilson.

By Bill Anderson
Pastor, First Baptist Church
of South Bay

cannot surrender to the voice of the mob, even if he agrees with the opinion of the mob.

A man must exercise his own choice. He stands in the inner sanctum and must decide. His is alone here. Only he can choose.

A question was asked a long time ago, **WHAT WILL YOU DO WITH JESUS?**

the Long Arm of God

There may be times when your church seems to be growing slowly, when you become discouraged because your work seems to bear no fruit. Don't be disengaged. The Lord would say to you in Deut. 1:21, "Fear not, neither be disengaged," for I am with you.

During the very time you are discouraged, the Lord may have good news for you. This period of time may be more spring than winter. It is an open secret that God's arm is not shortened that he cannot save; neither is his ear heavy that he cannot hear.

Therefore, let us keep on working and praying that we may in our hearts possess the land of rest and comfort and peace with God. "The glory of the Lord shall be thy reward." He tells us in Isaiah 58:9, "Then thou shalt call, and the Lord shall answer; thou shalt cry, and He shall say, Here I Am."

We pray that the church and its fellowship will be your dearest treasure. May the church be the place where your "heart interest" lies. We invite you to attend services this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

©Coleman Adv. Ser.

Revival is scheduled in Pahokee

PAHOKEE—There will be a Revival at the Church of God of Prophecy located at the 2500 East Main Street, beginning Sunday evening, March 12. The evangelist will be Brother Robert M. Norris of North Carolina accompanied by his wife.

The Revival last until Sunday, March 19. Services will begin at 7:00 p.m. on Sunday nights and 7:30 p.m. week nights. Pastor Steve Pittman invites the public to attend and receive a blessing from God.

Brother Norris is a national evangelist for the Church of God of Prophecy operating out of general headquarters in Cleveland, Tenn. He has conducted revivals across the country in which many souls have been won to the Lord.

Lots of things to do at Glades' Chalo Nitka

Barely more than a week away, Glades County residents are busily readying for the 30th Annual Chalo Nitka Festival and the Chalo Nitka Rodeo March 3-5.

Chalo Nitka, one of the premier festivals held at Lake Okeechobee gets underway Friday at 8:30 a.m. with the small fry fishing contest for children 10 and under. School's out Friday so everyone will be able to attend the full mill at the fair at the end of the day.

Parents should accompany their children to all Chalo Nitka events. Each child will receive an entry prize for events entered. Some food booths will open Friday morning and Dugger rides will open Friday afternoon and run all day Saturday and Sunday.

Small Fry Fishing Contest

Mrs. Inez Beard and Creda Stone, chairmen, invite all children 10 and under to meet at the city boat dock in front of city hall for this event. Children may bring their own cane poles this year, but no other tackle will be permitted.

Cane poles will be available for children who have none. Bail will be provided by tournament organizers. Prizes will be awarded; one each to the boy and the girl who catch the most fish and one each to the boy and girl who catch the largest fish.

Haystack Scramble

Following the fishing contest, the Haystack Scramble will begin under the supervision of Chairman Sonny Hughes. Located at the Chalo Nitka grounds, children will look through a haystack for coins. All children under the age of 10 are invited to join the scramble for the silver.

Pet Parade

All children are invited to show off their pets at the Pet Parade at 1 p.m. at the Chalo Nitka grounds. Carol Haller is chairman of this event.

Pets must be under leash and control of child or parent or other responsible adult. Trophies will be awarded for the prettiest dog, the prettiest dog and the most unusual pet in the show.

Big Wheel Races

Upon conclusion of the Pet Show, the Big Wheels will roll on the street next to the Chalo Nitka grounds. Children must bring their own Big Wheel to enter the contest. The Big Wheel must be marked with child's name or some form of identification.

Trophies will be awarded to children under six years old, children six to eight years old, and children nine to 10 years old. Dee Bowen is chairman of this event.

Greased Pole

Children will be challenged to climb greased poles and claim the money on top. Children up to 10 years old will have the opportunity to climb a nine-foot pole and pick up \$5. Older children (up to age 14) will have a shot at a 12-foot pole topped with a \$10 bill.

Children must enter the contest in order to try to climb the pole.

Contestants should wear old clothes for this event.

The green peeled cypress poles, donated by the City of Moore Haven, will be greased with lard, safe to the child if ingested.

Chalo Nitka Queen Contest

The Chalo Nitka Queen will be picked following competition being held at 8 p.m. Friday in the high school auditorium.

Adult Dance

An adult dance will be held at 9 p.m. Friday in the Doyle Conner Building. Live music will be provided.

SATURDAY, MARCH 4

Food booths open at 10 a.m.

Chalo Nitka Parade

The Chalo Nitka Parade begins at 10:30 a.m. at the city park and continues to the Chalo Nitka grounds, via US 27. Ed Devlinney is the parade organizer. Categories for the parade include: mercantile, organizational, youth and entering a float may be obtained by calling the Glades County Chamber of Commerce at 446-0440. Last minute entries should report to Ed Devlinney, parade organizer, at city park.

Community Exhibit Booth

Information concerning exhibiting projects in the community booth, call the Chamber of Commerce at 946-0440.

Chalo Nitka Queen

One of eight lovely contestants will be crowned as Chalo Nitka Queen at 11:30 a.m. following conclusion of the parade. Her court will be announced.

Seminole Indian Program

Stans John will serve as the master of ceremonies. The first half of the program includes a powwow, princess contest, and men's and women's contests.

Second half will include the Seminole Indian Choir, women's dress contest, the best dressed Indian cowboy award and the alligator wrestling contest.

Band Concert

The Moore Haven High School Band will present a concert at 12:15 p.m. Following the band concert, special guests will be recognized at 12:45 p.m.; parade and exhibit winners will be announced at 1 p.m. and trophies presented.

The second half will include the King and Queen of Basa, the first half of the Seminole Indian Program will be presented at 1:30 p.m.; the King and Queen of Basa, will be crowned and the small fry fishing contest winners presented at 2:30 p.m.; a special event will be held at 3 p.m.; the second half of the Seminole Indian Program will be presented at 3:45 p.m.; the weight guessing contest will commence at 4:45 p.m. and the money tree winner will be announced at 5 p.m.

Chalo Nitka Rodeo

The Chalo Nitka Rodeo will begin at 7 p.m. Saturday. A teen dance will follow from 9 p.m. to midnight at American Legion Hall.

SUNDAY, MARCH 5

Chalo Nitka Rodeo

The Chalo Nitka Rodeo will continue Sunday at 2:30 p.m.

Profile In Business

Dale Bledsoe is the manager and pharmacist of Glades Walgreens Pharmacy. He has held this position since the store opened in February of 1977.

Along with regular drug store items, the 9,000 square foot store handles a very large variety of goods. In Glades Drug, a customer can find such items as household articles, clothing, candies, cosmetics, hair care items, appliances, cameras, stereos, radios, books and magazines, baby needs, toys, gift items, 50 feet of greeting cards, automotive items and some grocery items. As Jim Pryde, merchandiser, said, they have a complete assortment of all types of dry goods, pharmaceuticals, as well as seasonal merchandise.

Bledsoe says he thinks their prices on all items are competitive with anyone else in the Glades. He says they really try to be.

Dale was born in Kentucky and reared in Akron, Ohio.

Bledsoe decided in high school he wanted to have something to do with the medical profession. He enjoyed science, but decided medical school just took too long, so he opted for Pharmacy school.

He attended college at Ohio Northern University.

In 1957, Bledsoe and some friends visited Florida and decided if they ever got married, Florida would be the place to live. A year after graduation, Bledsoe got his chance. He moved to Jupiter in 1962, where he worked for four years at Jones Pharmacy.

He then moved to Palm Beach Gardens where he worked for Super X for 18 months. When the opportunity arose, he purchased Glades Drugs and operated it for four years. He then sold it to Jack Herick in Pahokee, and went to Ocala where he worked for Walgreens for two years.

Bledsoe had been working here in Belle Glade for Herick for the past two years. He says he likes his work and is very satisfied.

Bledsoe and his wife, Myrtle,

have four sons, Dale 20, Dana 18, Steve 14, and Sean 12.

When not working, Dale says he just enjoys resting. After putting in 70-hour work weeks, he doesn't have time for much else. In the foreseeable future, he hopes to employ a second pharmacist and this will enable him to go fishing or to the shows with his boys.

He feels he is in the height of his season now.

Bledsoe also said he really likes living in the Glades. He feels it takes a special type of person to like the small town life, and he does. He much prefers knowing his customers personally than having to see few known faces as he would have to in a larger town.

As he put it, Belle Glade is a good place to live and do business.

Glades Walgreens Pharmacy is located at 233 West Avenue A in Belle Glade. It is open from 9 a.m. to 5 p.m. 6 days a week. They operate from 10 a.m. to 6 p.m. on Sundays and Holidays. They close only two days a year, Christmas and New Years. They have plenty of parking behind the store.

NOTICE OF ELECTION
Notice is hereby given pursuant to Chapter 9 of the Code of Ordinances of the CITY OF PAHOKEE that the annual general election of the City will be held on May 2, 1978, between the hours of 8:00 a.m. and 7:00 p.m., at the CITY HALL, Candidates for city office in this election must qualify by March 3, 1978, but not later than March 31, 1978, with the Clerk.

Any qualified voter, not duly registered voter of this City may register with the City Clerk until 5:00 p.m. on March 31, 1978, at which time the registration will be closed for this election.

Kiwanis fair is approved

BELLE GLADE-The City Commission agreed Monday night to donate the fees and allow the newly-formed Kiwanis Club of the Glades to hold a fair on Avenue L next Tuesday. The fair will be the first in several years to be approved in the city limits.

Kiwanis Treasurer Gilbert Alvarez told the commissioners the club would work with the city to provide the necessary police and fire protection and would do anything they could to assure a more attractive attraction would be offered.

The commission also: commissioners decided to demolish two buildings on Southwest Avenue D, owned by Ms. Thelma Carwise and Ms. Blanche Jasper, both of whom live out of town. The sister's brother, Nathan Colbert said he hasn't been given enough time to make repairs and asked for more time but Building Inspector Kenneth Retterer said that in his opinion, the trucks were beyond repair.

"Heard a report which indicated the city water distribution department had completed the installation of 7.12 miles of water mains in the city and provided loops to Duda Farms, Hardin Park and Hooker Highway.

The commissioners complimented the Public Works Department in general and Public Works Director Ron Sigmon and Ross Allen, supervisor of the water distribution department, for getting the work done at a fraction of what it would have cost the city had the work been contracted out.

The work was done in less than one year while the department employees kept up with their other chores.

"Approved a proposal by City Fire Chief A.E. "Pete" Webb to allow volunteer firemen clean up and repaint the city's 1937 Peter Pirsch fire truck to be used for parades and exhibitions and as a reserve pumper."

The volunteers had offered to do the work themselves and buy the paint and materials but the

Deal to halt suit is rejected

BELLE GLADE-The City Commission rejected Monday night a proposal by Happy Johnson to settle out of court two suits tied to the condition: the city buys 14.5 acres of land adjacent to the city's sewer treatment plant for \$300,000.

City Attorney John Johnson reported the offer was made by Johnson's attorney as part of a "deal" whereby the city would drop a law suit attempting to get Johnson to clean up the property around his house and Johnson would, in turn, drop a suit he had filed against the city which alleges sewer effluent has caused fish kills in two rock pits owned by Johnson.

Johnson also offered as part of the deal to clean up his property.

"It seems to me," Mayor Tom Altman said, "the city made a deal, against my better judgement, about three years ago to issue temporary trailer permits to Mr. Johnson so he would clean up his property."

Altman said he was against any such deal and Commissioners William Grear and Kenneth Harris echoed his sentiments.

City Clerk June Boglioli said Tuesday morning however, after researching minutes of meetings, that the "Deal" discussed Monday night was apparently an agreement made in 1975 that if Johnson would clean up his property, the commission would then consider issuing the permits.

That offer was made in the Oct. 19, 1975 meeting, after being apparently convinced Johnson had made a "good faith" effort, Commissioners Aubrey Farmer, Ralph Kirk and Kenneth Harris voted to grant the permits, overriding the votes against the permit by Altman and Grear.

Building lesson expensive

BELLE GLADE—Using 16 days working time and having to destroy and rebuild much work already done, proved to be an expensive lesson for a local do-it-yourselfer but City Building Inspector Kenneth Retterer said it could have been worse.

Retterer said Leslie Herring was ready to pour the concrete slab for his home at 772 S.W. 15th Dr. when Retterer noticed by and noticed the house was being built facing the wrong direction and ordered the contractor to turn the reinforcing steel and do it all over again... and at that we were able to save him some work."

The problem, according to the building inspector, is that the house, according to plans originally submitted to his office, would have been all right but when construction started, the house was turned the wrong way on the lot, leaving insufficient set backs to the front and rear of the property.

The problem, according to the building inspector, is that the house, according to plans originally submitted to his office, would have been all right but when construction started, the house was turned the wrong way on the lot, leaving insufficient set backs to the front and rear of the property.

"It just happened to be inspecting the property across the street when I noticed it," Retterer said. He said he had to take the matter to the Board of Adjustment, which ordered the half of building and the changes.

Retterer said he is willing to work with do-it-yourself builders,

but he wants them to follow code.

He said there are only two types of construction private individuals aren't allowed to handle themselves. One is electrical installation and the other is plumbing.

He said the major problem in making sure property owners who do their own work run into is a lack of knowledge about city building code standards.

something which doesn't appear to be common knowledge. Some people think we're just here to inspect but I'm always glad to talk to anyone with a problem.

"I've never had anything quite this serious come up before," Retterer said, "but we run into similar problems on a smaller scale regularly."

He said there are only two types of construction private individuals aren't allowed to handle themselves. One is electrical installation and the other is plumbing.

He said the major problem in making sure property owners who do their own work run into is a lack of knowledge about city building code standards.

money this year.

Seider played eight players and five of those scored in double figures, with Jessie Haynes once again leading the scoring with a 26 point effort, along with seven rebounds, three assists and a steal to his credit for the game.

Following Haynes were Arthur Slater with 16 points and seven rebounds; Rufus Chambers with 14 points, nine rebounds, two assists and one steal and Edgar Arnett with ten points, two rebounds and one steal.

Also adding points were Joe Byrd with three points and two steals; David Jones with two points, four rebounds and a steal and Michael Staples with one assist.

Riley chosen at GCHS

BELLE GLADE—James M. Riley, Jr., was recently announced as Glades Central High School's candidate for the annual Florida Teacher of the Year Award.

Riley was accorded this year's honor as the result of voting by members of the instructional staff. James received the Bachelor of Arts degree in history from Franklin Pierce College, the Master's degree in exceptional child education from Florida Atlantic University, and is now pursuing the Educational Specialist degree at Nova University.

Riley presently serves as chair-

South Bay

he believes the help could be obtained but he had to come before the commission first.

O'Neal moved to not make any commitment for at least five years and Commissioners Ray Sullivan and Donald Tanner and Mayor Billy Wells all agreed. Commissioner Vernie Cox was absent.

In other action, the commission:

*Awarded a bid for a back-hoe to Case Power and Equipment Co. of Lake Worth in the amount of \$18,267. Lake Equipment Co. came in with a bid of \$16,863 but Harrelle pointed out the tractor failed to meet specifications in several areas but primarily in the length of the backhoe itself.

Lake's Massey-Ferguson had a special digging reach of 14.5 feet compared to 18 feet specified in the city's bid notice. Harrelle said that even the 18 foot one would be able to handle all the city's requirements but the extra four feet are critical.

*Approved a contract with the Palm Beach County Solid Waste Authority to take part in a regional

man of the Exceptional Child Education Department at Glades Central High School. He is an active member of the Council for Exceptional Children, Florida Special Olympic National Education Association, Florida Teaching Profession, Palm Beach County Classroom Teachers Association, and the Wellington Jaycees, in addition to serving on several committees at Glades Central.

Riley's name will now be entered in competition for the Palm Beach County Teacher of the Year Award.

Cont. from P1

disposal facility in Belle Glade.

*Heard a report by Fire Chief Jim Webber that he now has 22 volunteers with two on the waiting list; that the volunteers are organizing themselves into a club; that the city's older fire engine is being renovated by the public works department and that a CETA worker was expected to begin work Wednesday as part of the replacement program for the men who had been compiling as paid firefighters under the CETA program. Those two men resigned shortly after Webber was hired.

*Postponed until next Tuesday night a decision on how much, if any, the city is willing to donate to Christian Day School to help pay the way of 20 members of the school's safety patrol and five chaperones to Washington D.C.

City Clerk Virginia Walker said only \$800 was budgeted for donations this fiscal year, and \$600 had already been spent. She said four schools asked for support last year for Washington tours. Christian Day School was asking for \$300.

Chamber Chatter

BY Jewel Crane
Executive Secretary

BELLE GLADE—From the Chamber's point of view this should be a record year for the motels, camp grounds, restaurants and the service stations in the Glades area. Over 130 visitors have signed our guest register this month from 27 different states, we also had visitors from England, Germany and many visitors from Canada.

Another good sign that Belle Glade is really on the map is the number of visitors from out of state people trying to find overnight lodging and camper spaces. The Chamber receives correspondence from almost every state.

Society hears of Levee

BELLE GLADE—Nigel Miller, Chief Engineer with the South Florida Water Management District, will present a program to Glades residents on the construction of the Hoover Levee at the next meeting of the Glades Historical Society.

The meeting will be held Mar. 2 at 8 p.m. in the Lawrence E. Will Museum at the Belle Glade Library.

Miller grew up in Western Hendry County, near LaBelle. He worked with the American Bridge Association and the U.S. Geological Survey, before going to Clewiston with the Corps of Engineers.

The public is cordially invited to attend this meeting. A short business meeting will follow the presentation of the program.

Solid Waste Authority, along with our Congressmen and Senators."

Hunt said he intends to ask the committee, the Authority, the county and the cities involved for resolutions asking Congressman Paul Rogers and Senators Richard Stone and Lawton Chiles to apply whatever pressure they can to get an exception to the FmHA regulation.

"I've talked to Bill Weathers (with the FmHA office in Gainesville) and Ed Runk (with the West Palm Beach FmHA office) and they're real sorry about it," Hunt said. "The local people recommended the loan be made under special authority but it was turned down in Washington."

"Bill called Washington after he received the denial," he said, "and tried to get them to change their minds but it didn't help any. He's gone as far as he can, administratively, even given us a voluntary 30 day extension on the application."

Hunt said the application would normally die March 31 but the extension gives it added life until April 30.

"We're going to go him one better though," Hunt said. "We're going to go ahead and apply for a grant for the project. Bill says there's no way on God's green earth we can get the grant. He's never been able to put together a grant package anywhere in the state under the restrictions on him but we're going to try anyway."

Belle Glade Mayor Tom Altman, who was recently appointed to the Solid Waste Authority and who has sat for some time as a member of the Budget and Policy Advisory Committee, said he hadn't heard about the denial and registered disappointment.

"What I can't understand," Altman said, "is that all along, we knew there were going to be a lot of problems; getting the cities and the county to agree on the contracts, getting Pahokee to go along with us even though they have their own incinerator and are further away than anyone else; then there was the problems that came up in getting the land."

"But through it all," he said, "the one thing we were always assured of was that the money was there and there wouldn't be any problem getting a loan or grant from Farmers Home...and now this. Nobody ever said anything about the possibility Farmers Home might turn us down because of

Thurs., March 2, 1978, HERALD-OBSERVER-9A

Cont. from P1

insufficient security."

"Justified or not," he said, "Tim (Hunt) is going to have egg on his face Monday night."

Former Authority and Budget and Policy Advisory Committee member Kenneth Harris, also a Belle Glade city commissioner, said Wednesday morning he hadn't heard there might be a funding problem either.

"It looks like we've been wasting all these months for nothing," Harris said. "Never, in closed meetings or anywhere else has anybody ever mentioned there might be a problem in getting money from Farmers Home Administra-

"Harris said he didn't think there would be any problem in getting the agencies involved to ask for Congressional help but said he doesn't know what the result will be if that help isn't forthcoming or fails."

Hunt said he is basing his hope for Congressional intervention on the fact the regulation is an administrative policy of FmHA and not a matter of law, combined with the announced FmHA policy of encouraging regional concepts in disposal of solid waste and sewer as well as water systems.

"Their whole administration is structured to deal with municipalities," Hunt said, "and they don't know how to deal with regional projects."

The loan, should it come through, will pay for approximately half the \$3.3 million cost of the project and Hunt was consistently expressed his belief the application would be approved as half loan-half grant.

In a telephone conversation with the Washington office of Senator Richard Stone Wednesday morning, Stone's press secretary, Jean Parvin, said the Senator was unaware of the problem until contacted by The Herald but is making inquiries.

Miss Parvin said she contacted Stone's Tallahassee office and an aide there is checking the details of what has happened and why.

"We want to find out, first," she said, "if Farmers Home Administration is abiding by their own regulations. Then we want to know if there is a conflict between their policy and their regulations. If there is, the Senator will want to make it public and he can decide on what action to take."

GCI Jaycees win awards

SPECIAL TO THE HERALD
BY ROBERT A. CASTERLINE
by Robert A. Casterline

BELLE GLADE—David Lewellyn was named Jaycee of the Year at the GCI Jaycees at their annual awards banquet Feb. 18.

His was one of 58 awards presented by the Jaycees, who also made two check presentations. One was a \$50 contribution to Randy Romano, financial vice president of the Florida Jaycees who is running for vice president of the national Jaycees.

The second was a check for approximately \$100 presented to the Church of the Latter Day Saints of Jesus Christ, Belle Glade, as its share of the proceeds from the sale of tangerines grown in the grove project the Jaycees and the church operate together.

The GCI Jaycees and their guests celebrated with a steak dinner and heard a brief talk by Supt. R.V. Turner in addition to the awards presentation ceremonies. Several gifts were presented to free-world friends of the chapter, including Mr. Turner, Robert Reece, Sgt. Robert Usher, Maj. Robert Mineo, Sgt. Officer Quentin Parrish.

Jaycees Jansen served as master-of-ceremonies for the program, and Willie Prince and Bob Casterline conducted the awards presentation. Chapter President Abe Oliva made the Romano check-presentation.

A special Presidential Award of Honor was presented to Officer Roy Robinson for his quick-thinking and heroism in possibly helping to save the life of an inmate who had stopped breathing after lights-out. Officer Robinson provided first aid and mouth-to-mouth resuscitation until medical help arrived.

A complete list of award winners follows:

Jaycee of the Year: David Lewellyn
Director of the Year: Willie Prince

Prince
Outstanding Jaycees: Larry Frey, Angelo Palmer, Abe Oliva, C. William Brownfield Award: James Lewis, Robert Jansen, Abe Oliva

John Armbruster Key Man Award: David Lewellyn, Harvey Eave, Michael K.T. Eagan and Sergeant W.E. Bradley and Frank Nappi.

Jaycee of the Quarter: Larry Frey

Jaycee of the Month (January): Mark T. Axel

Jaycee of the Month (December): Bruce Calahan

Gift Presentations: Supt. R.V. Turner; Sponsor Robert Reece; Maj. Robert Mineo, Sgt. Robert

Prince; Officer Quentin Parrish. Certificates of Appreciation (Participants in Muscular Dystrophy Fund-Raising Campaign): Classification Specialists Roosevelt Perkins and David Sniffen; Officers Dean Bennett and Tim Story; and Sergeant W.E. Bradley and Frank Nappi.

Certificates of Merit (non-Jaycees who repaired toys for Christmas Project): John Adams, Ron Stinson; Dennis McClain; John Williams and Trudette Davenport

Certificates of Special Recognition (free-world citizens who donated toys for Christmas Project): Mrs. Janet Sleiger, Rev. Richard Petry; Michael Frazier; Orlando

Torres, Luis Crespo; Ms. Annie Nalle and the Belle Glade Junior Women's Club.

Press Awards: Dean Jones (Belle Glade Herald); Wendy Mickelson (Palm Beach Post); John Brecher and Mary Voboril (Miami Herald); Mark T. Axel, Michael R.T. Eagan and Robert B. Olsen (GCI Jaycees Journal) and Bob Casterline (GCI DO YOU KNOW).

Distinguished Service Awards: Jerry Roberts (WSWN); Sydney Pullman; James Peoples and John Beauchamp.

Presidential Awards of Honor: Officer Brian Bell, William Adams, Quentin Parrish and Roy Robinson, and sponsors Orville Meyer and Monte Bucher.

Honorary Membership: Officers Quentin Parrish, Weldon Watkins, William Ott and William Adams, and Broward Davis and Nathaniel Green.

Committee of the Year: Christian Committee (Bob Jansen, chairman).

Certificates of Award: Richard Patterson, Earl Vickers, Richard Newell, Albert Vena, Willie Henning, Robert Holley, Jim O'Dio, Juan Perez, Antonio Sanchez, Gene Williams, Daniel McCoy, Renel Charlton, Ronald Porcelli, Fred Yukum, Nelson Estopinian, Berice Calhoun, Tom Reilly and Martin Werner.

Certificates of Merit (committee chairmen): Tom Reilly, Martin Werner, Larry Frey, Jim Lewis, Javier Odo, Antonio Santiago, Michael R.T. Eagan, James Peoples, and Willie Prince.

FP&L moves offices

BELLE GLADE—The Glades office of Florida Power & Light is moving into new quarters Monday, according to District Manager Dale Stapp, and business after this weekend will be conducted from the old Everglades Federal Sav-

ings and Loan Building at 40 S.W. Ave. B.

Stapp said business will be conducted through Friday at the current address at 341 S.W. Second St., and the move will be made Saturday.

Stapp noted, however, the FP&L telephone number and mailing address will remain the same.

"In order to make the move as smooth as possible and avoid inconvenience to our customers," he said, "no action will be taken on delinquent accounts on Friday or Monday."

The new office will be open for business as usual Monday, Stapp said, and the office hours will be 9 a.m. to 5 p.m. as they are now.

Traffic Council

to meet Mar. 7

BELLE GLADE—The regular monthly meeting of the Lake Okeechobee Area Traffic Council will be held Tuesday, March 7 beginning at 7:00 p.m. at the Holiday Inn in Belle Glade.

Speaker for the evening will be Col. Franklin W. Donahue, director of the Port of Palm Beach.

Donahue joined the Port in August, 1974 as its director. He is a retired U.S. Army colonel who has a long history in the fields of aviation, shipping and marine construction work.

For reservations, call the Holiday Inn at 996-7222. The public is cordially invited to attend the meeting.

Williams, Daniel McCoy, Renel Charlton, Ronald Porcelli, Fred Yukum, Nelson Estopinian, Berice Calhoun, Tom Reilly and Martin Werner.

Certificates of Merit (committee chairmen): Tom Reilly, Martin Werner, Larry Frey, Jim Lewis, Javier Odo, Antonio Santiago, Michael R.T. Eagan, James Peoples, and Willie Prince.

Pahokee downed by Immokalee

After scoring an impressive 62-53 win over LaBelle Friday night, the Pahokee cagers suffered a loss to Immokalee in the District 15AA playoffs in Immokalee.

Pahokee was led by the strong, double figure scoring of Joe Brown and Stafford Everett in both games but the repeated surpassing scoring by Immokalee slowed the Devil's pace in the finals Saturday night.

A decisive 27-14 third quarter scoring by Immokalee led the Indians to their victory. Alan Green led the Indians with 22 points.

Pahokee's Everett scored 24 points in the game, followed by Osmond Edwards with 18, Joe Brown with ten, Charles Biggs with eight, Willie Pickens with four and Ronnie Osborne with two.

Everett's 23 points led the Blue Devils to the victory over LaBelle combined with an Everett-Joe Brown 12 point decisive scoring burst in the forth quarter.

The Devils led by only two points, 43-41 at halftime before sailing ahead with 19 points in the fourth quarter to LaBelle's ten.

Following Everett's 23 points were Joe Brown with 19, Osborne with ten, Biggs with eight, and Edwards and Willie Pickens with one each.

Immokalee beat Clewiston during the first round 70-65 before facing the Devils in final play, ending the Blue Devil basketball season.

JESSIE HAYNES ignores a defensive effort Saturday night by an Atlantic player as he sank still another basket on his way to setting a school record of 46 points as the Raiders edged the Eagles, 102-90.

Airboaters meet tonight

Belle Glade-The Glades Airboaters will hold their regular bi-monthly meeting tonight at the Aubrey Farmer Pavilion at Belle Glade Marina beginning at 8:00 p.m.

Among the topics of discussion will be a code of ethics being developed by the airboaters that will help determine safe and responsible use of their craft.

All airboaters or those interested in the sport are cordially invited to attend the

Sectionals to follow Friday

Glades Day wins district title

Moore Haven-The Glades Day School Gators won their district championship Saturday night in basketball when they narrowly defeated the Moore Haven Terriers 52-51.

Tony Duda scored the two winning points in a come-from-behind situation with only a minute left in the game, hitting two free throws.

Tuesday night, the Gators were to play Kings Academy in the regional finals and Friday night, the sectional playoffs will be held at the Glades Day campus in Belle Glade.

Quique Echave led the Gator scoring effort against Moore Haven, sacking 14 points. He was followed by Don Henderson with 11.

The Terriers dominated the first two quarters, but Glades Day fought back after the half and outscored the Terriers in the last two quarters, finally pulling ahead on Duda's free throws.

PAHOKEE CENTER Charles Biggs grabs a rebound during second half action in Friday's 62-53 win over LaBelle in the District 15 semi-final action at Immokalee. Biggs scored eight points and pulled down 17 rebounds. Teammate Joe Brown and LaBelle's Tony Williams look on.

to take the district championship.

Raiders follow Haynes' lead to move into regional playoff

Belle Glade-Glades Central followed the lead of a red-hot Jessie Haynes Saturday night to take the District championship from Atlantic High as Haynes broke Michael Pringle's single game scoring record with a 46-point effort.

The Raiders used the 102-90 point victory to get into the Region Four AAAA playoff in the Glades Central gymnasium Tuesday, facing off against North Shore for the third time this year.

"We stayed pretty steady and kept the lead through the whole ball game," Coach Jay Seider said, "but we didn't do as well as we could have. I think the whole

week off before that hurt us a little bit. We had a few turnovers we shouldn't have had."

While the Raiders outscored the Eagles in all four quarters, they held exactly a three point edge after 12:24 in the first period. Going into the half with a 24-21 second period effort, building their lead with an 18-15 edge in the third period and a 33-30 score in the final quarter.

Seider said the Raiders were hitting well, scoring on 63 percent of the shots attempted. He said one of the key factors in the game was the Eagles' failure to take better advantage of their free throws, sinking only 26 of 44 while the Raiders hit 32 of 42 shots.

"This is probably the best shooting team I've had here," Seider said. "They've been averaging 49.8 per cent from the field and 67.8 per cent from the free throw line and that's not bad for high school play."

He said the team has averaged 80.9 points per game during the season while giving up an average of .72 points per game. The Raiders scored more than 90 points in eight games.

Individually, Haynes led the Raider scoring effort with his 46 point record attempt while pulling in nine rebounds, two assists and making one steal.

Haynes was followed in double digit scoring by Arthur Slater with 19, 10 rebounds and one steal and Melvin Weston with 18 points, five rebounds, two assists and one steal.

David Jones was next high man with six points, 10 rebounds and a steal, followed by Michael Stetson with four points; Rufus Chambers with two points, seven rebounds and one steal; Joe Byrd with two points, one rebound and one steal; and Edgar Arnett with two steals, one rebound and one assist; Michael Collier with two points; Ricky Graham with one point and two rebounds and Charlie Perkins with one assist.

Collier and Graham were brought up from the junior varsity Saturday night for their first play on the varsity level.

Pringle is chosen for all-state honor

Temple Terrace-Fomer Glades Central basketball star Michael Pringle was named to the All-State Junior College basketball team last week for his record performance this year at Florida College.

Pringle led the Falcons with a 20.2 performance average and head coach Tom Wilson said he has also set the school record for career scoring, making 1,084 points for the two years he's been playing.

"Mike's really done well here," Wilson said, "and he's had a lot of major colleges who've shown interest in him."

The Falcons are ranked number one in the state and number one

colleges and 13th in the nation, the only Florida two-year school so honored. Florida College will be playing this weekend in the state tournament at Stetson University in Deland.

Wilson said William Likely, who graduated from Glades Central the same year as Pringle, has also been doing well this year, making an average of 11 points per game. Wilson said he anticipates being in the Belle Glade area in the near future to talk to prospective Florida College students. He said he is particularly interested in Jessie Haynes, who Saturday night broke Pringle's one-game scoring record when he racked up 46 points in the District playoff.

Christian Day coach forsees better basketball season next year

On Monday, February 20, the Christian Day School Varsity team met Everglades City there. Everglades City came out on top by a score of 92 to 84. Bill Taylor lead the Crusader scoring with 14 points, and Tim Atkins came in with 7. This was the last regular game of the season. Coach Jeff Colden said they didn't go down there to play basketball, but went in with a lackadaisical attitude. Consequently, they were blown off the court.

The Varsity team met Moore Haven on Friday, February 27 in district tournament action. Moore Haven won by a score of 75 to 41. Bill Taylor was again the high scorer for Christian Day with 17 points. 2 of these points came with a slam dunk at the end of the game. That

was the first by him all season. It was also the only one in Moore Haven's gym, and the only one in the district tournament. Moore Haven scored 21 points to Christian Day's 6 in the first quarter. Coach Colden said this was just too much to overcome. The score at the end of the first half was 35 to 20, and the Crusaders just couldn't come back.

In wrapping up the season, out of a record of 13 games, Bill Taylor averaged 6.3 rebounds per

game. Steve Smith averaged 4.5 rebounds per game, and Alan Bowen, a senior, had 9 games, and he will really be missed in this capacity.

Coach Colden said it had been an interesting year, and that he had learned a lot from his own mistakes. He also said they were already working for next year's success. He indicated that it looked promising if the guys will take it easy, think basketball, and work on the mistakes made this year.

He says the next two to three years look good. Out of the whole team, seven players will be returning, plus Kent Davis from the junior varsity team.

Of the starters, Bill Taylor will be back as a junior, Steve Smith, as a senior, Jesus Armas, as a sophomore, Drew Cobb, as a senior, and Mike Graham, who was injured this season, as a senior.

Colden said he will have his big men working on rebounding and blocking out, and his guards will be concentrating on dribbling,

passing, and penetrating the come they'll be his team and not someone else's. Colden feels then they can take all the credit for the good they do and the blame for all the mistakes made. In general, he is optimistically looking toward next year, saying they could really be tough.

Local anglers win tourney

Belle Glade—Local Anglers, Sonny Campbell and Buddy Norris took 19 lb., 5 oz. of bass on Sunday to capture first place in the Ellie Mae Bass Tournament held at the Belle Glade Marina.

Second place went to John Davis and Bucky Sanders for 17 lb., 4 oz., Ernest Hilliard and Herbie Ziegenhorn took third place with 14 lbs., 1 oz. and in fourth place were Rod Adkins and Richard Nix with 13 lbs. 12 oz.

There was a tie for fifth place between John Smith and Larry Burgess and Chuck Eargle and Tommy Sapp with 12 lbs., 12 oz. in each boat.

There was also a tie for the Lunker Award as Joe Serravalle and Tommy Sapp both brought in one at 8 lbs. 9 oz.

Earlier in the week, Frank Kimley of Chillicothe, Ohio took a ten pounder on a shiner.

Gerry Venclik of Richmond, Ky. took his limit on Monday and seven more on Tuesday to 6.5 pounds while using spoons.

Opal Christie of Eldorado, Ill. used live bait to take an 8.5 pounder on Saturday.

Local fishermen Bruce Williams used a Devil's Horse on Saturday to take a seven pounder while his fishing partner, Cecil Meeks used live bait to take a smaller one.

Look for run of specks now

OKEECHOBEE—Despite high winds, low water temperatures and a higher than normal water level the black crappie run has begun on Lake Okeechobee, says Lothian Ager, fisheries biologist for the Florida Game and Fresh Water Fish Commission.

Normal is the best crappie or "speck" fishing occurs when the water temperature reaches 67 degrees and maintains that level for several days. Water temperature is currently in the 50s. Creel census figures show the catch per hour of fishing time to be down only slightly from last year's average of 1/4 fish per hour.

"We had looked for a reduction in the catch rate," Ager explained, "as studies had shown that the speck population had become stunted with more fish than could be supported by the available food supply". With the Okeechobee Fisheries Utilization Program in operation for a full year, the reduced catch rate has shown increased growth rates to where the average size for specks has increased and extra inch and one-half.

The full moon in February has historically been one of the best times and if early catches are any indication, anglers can look forward to some heavy stringers during the next 30 days.
